Approachable - Kind - Articulate

YOUR NEXT VOICE TO COMMUNICATE SINCERITY & FRIENDLINESS

ABOUT SARA:

With a voice described as approachable, kind, articulate; a voice that communicates sincerity and friendliness, Sara Kavanaugh will bring a personal and professional touch to your next project!

With a vocal age range of teen through middle age/adult and a General American accent, Sara can provide a breadth of voice over options for your next commercial, eLearning, corporate narration, training or explainer video. She is also available for phone messaging systems, educational videos, documentaries and more!

Sara has the perfect blend of experiences to bring authenticity to your project, from leader in a corporate setting to vocalist to her most important role to date - Mom!

With the convenience of a Nashville-based professional recording studio on-site, Sara can send voice over work within 24 hours to clients anywhere in the world.

In addition to Sara's quality standards and reliability, she loves building relationships with her clients. Connect with Sara through any of the options below for questions or a quote for your next project!
